Virtual School Library

The Virtual School Library is brought you by Oak National Academy in partnership with the National Literacy Trust.

Every week a popular children's author or illustrator will provide you with free books, exclusive videos and their top three recommended reads.

Having access to a school library is really important for children. School libraries nurture a love of reading that can enrich children's literacy skills, academic achievements and mental wellbeing. Our Virtual School Library will complement existing school libraries and will ensure that children have access to the magical world of stories all year round, whether they are learning at school or at home.

We've worked with brilliant publishers and inspiring authors and illustrators to ensure that the books and activities in our Virtual School Library will support children's wellbeing through reading.
